

Dear Parishioner or Friend of Holy Trinity,

As I write this, the calendar might say it's Spring but the weather certainly hasn't been Spring-like!! However, even though summer seems far away, it will be here soon. Already our Parish Festival Committee has been hard at work planning for our summer festival, **July 26, 27, 28**. This year marks the 70<sup>th</sup> anniversary of the summer festival. And we're recounting a very special moment from that very first festival with our "Outta' This World" festival theme. Our parish bulletin is recounting the mysterious appearance of a possible space ship that hovered over the parish grounds some 70 years ago, attracted by a spotlight announcing the festival.

While we can't promise a return of that mysterious space ship, we can promise that you'll have a great time at the festival. Enclosed, are tickets for the Major Award, this year offering a prize that's sure to be a winner with any household - groceries and gas for a year! There will be a repeat of the popular "passport" program, whereby visiting select booths will entitle you to a chance to win \$100. Of course, favorites such as Super Split-the-Pot, Blackjack, a fantastic Bid 'n Buy display, wonderful Kid's Area, Big Six, Grill Food, Sunday Chicken Dinner, and Latino specialties will make your festival experience a real joy.

We hope we can count on you to join us for the festival and to step up to volunteer at one of the booths. As you know our festival is vitally important to sustain our parish and support our ministries. This great community event offers the opportunity to reconnect with old friends, to make new ones, and to work together for the good of our parish.

May God bless all our efforts,

Fr. Ray Kellerman
